MULTI FUNCTIONAL

The M6r is a universal torch and a headlamp in one. Fix it on magnetic surfaces by the integrated rubber covered magnet, attach it to a pocket with the steel clip or just hold it vertically in your hand. The comfortable headband and lamp holder makes the M6r a very powerful versatile headlamp too.

ELECTRONIC SWITCH + DIMMING

The electronic switch of the M6r offers out-most easy operation when used as torch or when mounted as a headlamp. In addition the electronic switch allows quick operation of the MAX POWER function and the integration of the advanced DIMMING function.

BATTERY WITH USB

Our new Li-Ion battery has been special built with integrated USB-charging. It offers demanding users the benefit of purchasing a second battery for being able to charge a spare battery while using the torch. Truly for Professionals!

ENDLESS MOUNTING OPTIONS

The M6r can be mounted on any helmet. You can mount the M6r on your helmet with the headband, which has silicone stripes for a firm grip or you can use the supplied adhesive helmet adapter.

MAGNETIC

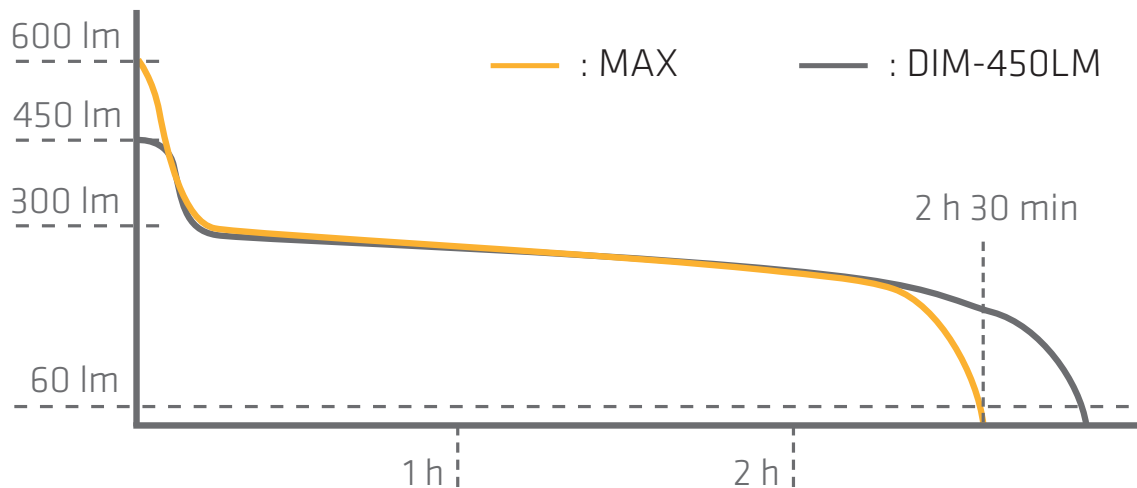

With the built in rubber coated magnet you will be able to fix your multilamp on any magnetic surface to use it as a fixed work light for hands free operation.

STRONG STEEL CLIP

With the metal clip you can place the multilamp in your pocket. This means you will get a forward pointing light and you will have your hands free for work.

REUSABLE LABEL

FEATURES

INTELLIGENT LIGHT CONTROL (ILC)

Our intelligent light control lets you switch between different light outputs

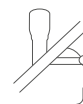

ELECTRONIC DIMMING

Our electronic dimming lets you dim the light to the desired level with ease

RECHARGEABLE

Rechargeable products will prevent you from using and throwing away alkaline batteries

MULTI FUNCTIONAL

Lets you use your light as both a torch and a headlamp

MAGNETIC

Attach your light on a magnetic surface for a hands-free work light

USB CHARGER

All of our rechargeable products are compatible with USB. This enables you to charge everywhere

TRANSPORTATION LOCK

Lets you lock the buttons on your multilamp for transportation

COOLING CORE

The high strength aluminium cooperates with the "heatsink" to cool off the LED

WATERPROOF - IPX8

This product is waterproof down to 2 meter

RECOMMENDED ACCESSORIES

LI-ION 18650 USB 2200 mAh

The high capacity Li-ion 18650 USB rechargeable battery is compatible with the M6r and can be charged externally.

SILICONE HEADBAND

Mount your headlamp on any helmet. No brackets or fuss as headband fixes to all helmet surfaces.

BIKE MOUNT

Our Bike Mount with fully rotating universal clamp-antivibration grip. Fits almost every Bike bar.

VELCRO MOUNTS

Universal velcro straps which easily can be used to mount the multilamp on your cycling helmet, backpack, handlebar, belt or almost everything else you can think of.

100 - 240VAC / 10W USB ADAPTER

With this premium quality wall adapter, you can charge your rechargeable Suprabeam light directly from the plug.

12/24V -1A USB CHARGER

With the 12/24V, 1 Amp USB charger you can recharge your rechargeable Suprabeam products while you are on the go.
